- All loans are made directly to the consumer by National Energy Improvement Fund, LLC. for program-qualifying upgrades performed by NEIF-Approved Contractors.
- **Payment estimates based on 0.00% APR.**
- Minimum loan \$2,500. Maximum loan \$25,000. Loan amount is net of program rebate.
- All loans will be repaid on the applicant's JCP&L utility bill.
- Prepayment in full is allowed.
- Any extra payments will be paid towards the customer's usage, not the loan payment.
- If the property is sold and the customer opens a new utility account with JCP&L, the loan will be transferred to that account. If no new account is opened, the loan must be paid in full.

## Eligibility

The JCP&L Energy Efficiency Programs provide access to no-cost financing to promote easy and cost-effective access to energy efficiency measures by JCP&L customers. Eligible properties include 1-4 unit primary or secondary (vacation) homes, deeded\* properties, and co-operative housing communities. Property must be owner-occupied and not an investment property, and it must be affixed to a permanent foundation. Unsecured loans - property type is for qualification purposes only - no lien is filed. Primary applicant must be the JCP&L utility account holder and meet all credit guidelines.

\*Properties owned or held in trust are not eligible.

- An approved rebate for qualifying equipment is required to access 0.00% financing. Please note: The maximum 0.00% financing for a project is \$25,000 through one utility program. Customers may not use multiple utility financing programs for multiple improvements and the rebate must be processed only for the improvement through the utility subsidizing the financing for that improvement.
- **Qualifying HVAC** - 36, 60, and 84-month terms only, some applicants may qualify for 120 months based on income.
- **Whole Home Energy Solutions** - 36, 60, and 84-month terms only for loan amounts \$10,000 or less. 120-month term available for loan amounts \$10,001 to \$25,000.
